Workshop : Illuminate By Mr. Ramesh Salmana

Illuminate comprehended a ground breaking session about entrepreneurship, startups, power of B-plans and business development. Our speaker for the workshop was *Mr. Ramesh Salman*, who made sure that no one left the room with any fear or dubiety about entrepreneurship as a career. The session took an unorthodox turn when he made the entrepreneurs among the crowd stand and share their B- plans and success stories of how they managed to establish their startups while still studying in college. The workshop terminated with a play-down in which the crowd was split up into teams of 9 to form business plans that necessitated a whole lot of brainstorming for the budding entrepreneurs. Illuminate was undoubtedly a pinnacle due to the countless opportunities that it bequeathed the participants.

EGNITE'2016 : Speaker Sessions

Speaker sessions during Egnite by various speakers were organised by TEB on 3rd and 4th November, 2016. A brief about one of the Speakers: Mr. Ankit Kawatra, founder of feeding India. Everybody has attended weddings. Many have even hosted them, but never did anyone thought about the wastage as Mr. Ankit kawatra did. A celebrity wedding and the piling waste of food poked the fire burning and led to the creation of feeding India. A simple idea converted into one of the biggest social enterprise. Feeding India boasts of 2000 volunteers spanning over 28 cities in a time span of 2 years. Selected amongst 17 young leaders for sustainable development goals from over 18000 people from 186 countries, Mr. Kawatra had but one thought "no soul should be hungry" and he has certainly taken a step ahead by feeding atleast 1.6 million mouths by his "Magic truck".
