Virtual Earth Conference 1.0	150	05/06/20

## PLANTATION DRIVE

The Green Brigade organised a Tree Plantation Drive in the college campus to celebrate Independence Day and the college Foundation Day. Along with this, flags made from seed paper- the base is made from waste and recycled cotton fibres with poppy, marigold etc seeds embedded in it- were distributed. This was in collaboration with an organisation called [Vriksh Garage](#). This was done to reduce the incessant wastage of paper and plastic garbage. So, after the celebrations, rather than throwing away the flags, one can soak these seed flags in water followed by sowing them in soil to get a beautiful plant.

### **SHWACHHATA HI SEVA (2019)**

The Green Brigade participated in the 'Swachhata Hi Seva' programme initiated by the Government of India to make the college campus and surrounding areas more green, clean and free of single-use plastic. In this regard, the society has launched a campaign titled, 'Beat Plastic Pollution' to obliterate single-use plastic from the college campus. Numerous initiatives have been undertaken by the Green Brigade under the Swachhata Hi Seva programme of Plastic Waste Management. Following is the list of activities undertaken to spread awareness about this cause-

- **Project Gyaan-** Awareness Drive in SDMC Primary School, Chirag Delhi, held on 16 September 2019. This awareness drive on 'Beat Plastic Pollution' was organized for the students of grade IV and V, for around 300 students. 40 volunteers from the society participated in this drive. Animated films on the hazardous effects of plastic were showcased to the students, followed by the demonstration of crafting paper bags from old newspapers. In addition, a Plantation Drive was organized in the school and native trees of Delhi like Neem, Amaltas and Gulmohar were planted as well as the initiative of 'Adopt a Tree' was started in the school wherein the names of the school students were written on cardboard placards which were then placed near the saplings and the students promised to nurture these saplings. Lastly, a Vertical Hanging Garden was made from up-cycled plastic bottles along with students and the teachers.

PRIYANSH  
(VICE- PRESIDENT)  
9650269624

- **Shramdaan and Swachhata Pledge** were taken on 2 October 2019. Around 30 volunteers participated in this activity to spread awareness about the catastrophic effects of plastic on our environment and health. 250 cloth bags made from up-cycled cloth materials like old sarees, dupattas, upholstery linen etc, were distributed to the residents of K-Pocket, Sheikh Sarai-II and plastic waste was collected from their homes for proper recycling. The material for the cloth bags was donated by the students, teaching and non-teaching staff of the college during the Cloth Collection Drive held in the college campus on 11 and 13 September 2019 and these were crafted into bags by women workers (Mrs Shahinoor Begum and Mrs Sharda) and were finally distributed to spread awareness about Plastic Pollution. Handmade tags made from medicine wrappers and other discarded packaging material, to reduce

paper waste, were attached along with the bags. Following this, a Plog Run was organized, wherein plastic waste was collected from the streets of Sheikh Sarai-II and lastly, a Swachhata Pledge was conducted to give up single-use plastic and to make the campus as well as the surroundings clean and plastic-free. Around 50 kgs of plastic waste was collected during the plog run. A Certificate of Excellence has been awarded to the College by the Beach Warriors for 'Opting Zero Plastic Model'.

### CLOTH BAG DISTRIBUTION

These cloth bags are made from up-cycled old bedsheets, sarees & other cloth material & are being distributed to **beat plastic pollution.**

**DATE:** 2nd OCTOBER, 2019 ( wednesday )  
**PLACE OF DISTRIBUTION :** Residents of K-Pocket, Sheikh Sarai- 2  
**TIME:** 11am - 12 noon

Mrs. ANU SINGH (CONVENOR)	SIMRAN SETH (PRESIDENT)	KALASH THAPA (SECRETARY)
9810112312	8800227775	9717233402

- Four students from the Society as well as Staff Advisor to the Society, Ms Ruchi Singh attended a conclave on 'Plastic- The End of an Era', organized by Pandit Deen Dayal Smriti Sansthan on 25 September 2019.
- On 8 August 2019, some members of the Green Brigade attended the 'Plastic Tide Turners Challenge' training session organised by WWF-India at their head office. It was a stimulating session which helped the students to understand the ramifications of the plastic crisis and motivated them to take immediate measures to overcome this problem.

- Refillable white board markers for the teaching staff of the college have been introduced to reduce plastic wastage.
- Single-use plastic cutlery and straws, stirrers have been removed in the College canteen to curb plastic waste.

### NATURE WALK SUNDER NURSERY

The Green Brigade organised a Nature Walk to Delhi's first Heritage Park and Arboretum, the magnificent Sunder Nursery. A much needed escape from the toxic, polluted environment as well as the humdrum of city life, the Sunder Nursery is an ideal example of sustainable development and conscious restoration. Mughal style bewitching gardens, mesmerising flower beds, serene lake, plethora of age-old trees, charming historic monuments, beautiful bonsai gardens, a micro-habitat zone, and what not- Sunder Nursery is indeed an ecological paradise and a haven for binding our past with the present.

## **TALK ON HUMANITY AND ENVIRONMENT**

The Green Brigade had organised a talk on 'Humanity and Environment' by Mr Chinu Kwatra, founder of Khushiyaan Foundation and Beach Warriors on 28 January 2020. His views, "We need the environment, environment doesn't need us " was the key learning which inspired every student. He asked not to plant trees but to adopt them and provide them with all the care, love and affection that they need.

His views, "We need the environment, environment doesn't need us " was the key learning which inspired every student. He asked not to plant trees but to adopt them and provide them with all the care, love and affection that they need.

The session ended on a positive note with the message that 'every individual should change themselves first and not to litter'

Overall, the session was very inspiring and every student was happy to be a part of it. Green Brigade feels really honoured to host Mr Chinu at the session.

**VASUDHA'20**

Green Brigade organised the second edition of its annual festival, Vasudha on 5 February 2020. The festival highlighted the various aspects of Climate Change- from veganism to the ongoing forest movements as well as DIY and sustainable practices to curb climate change.

The day commenced with an insightful talk on how to mitigate climate change by our Principal, Dr Inder Jeet and our convenor, Ms Anu Singh. This was followed by a skit and song performance on Veganism by Delhi Vegans for Animal Liberation.

Then there was a panel discussion on Climate Change by Ms Neelam Ahluwalia on the Aravalli Bachao Movement, Mr Verhaen Khanna on the Green Manifesto for the upcoming elections and the role of New Delhi Nature Society in the field of conservation and Mr Niket Gehlawat on the role of youth in Friday's for Future.

We had an interesting workshop on how to make your own soaps and shampoos by Paakshantar. Besides this, there were three inter-college competitions (Parivartan-The Environmental Quiz Competition, Kalpana- Picture Description Competition and Rang Amaizi- Glass Bottle Decoration Competition) wherein we got tremendous participation from different colleges including LSR, Hansraj College, Maharaja Agrasen College, JMC among others.

Along with this, we had a mini Nature Bazaar displaying ecofriendly products by Goonj, Paakshantar, New Delhi Nature Society and Vyanjanam.

The day ended on the scintillating tunes of Jal Tarang - percussion on water (sustainable form of music) by Pandit Vimal Bhushan Jain and Pandit Shyam Lal.

It was an enriching day filled with engaging discussions on pertinent issues, a hands-on sustainability workshop, melodious tunes of Jal Tarang, enthralling competitions and interesting stalls

## TALK ON ANIMAL RIGHTS BY PETA

Green Brigade had organised a talk on 'Veganism' by Ms Shibani Mishra, Senior Youth Outreach Coordinator, PETA India on 3 March 2020. People for the Ethical Treatment of Animals (PETA) operates under the simple principle that animals are not ours to experiment on, eat, wear, use for entertainment, or abuse in any other way. It was an enlightening lecture on the significance of adopting Veganism and how it's a sustainable option to fight climate crisis.

**VARTALAAP**

2020 marks the 50th anniversary of Earth Day and to celebrate this day, the society had organised a two-day national level digital event, (Vartalaap) consisting of a Quiz competition, Group Discussion via Skype on 21 April 2020 and an Instagram Live Monologue session on 22 April 2020. This was a small endeavour to disseminate information about the Climate Crisis and how together we can put the balm of Climate Action to heal our planet. The event saw enthusiastic participation from college students across the country. In

addition to this, the society had also, prepared a collection of five videos on the threats faced by Indian Biodiversity, titled, '#PledgetoProtect' series. This series commenced on the World Biodiversity Day on 22 May 2020 and highlighted how India is a 'Mega Diversity' area and reflected on the various threats to the diversity in northeastern India and Rajaji National Park and the highly contested Draft Environment Impact Assessment notification 2020.

## VIRTUAL EARTH CONFERENCE

On the occasion of World Environment Day, Green Brigade had organised a **Virtual Earth Conference 1.0 on the topic, ‘Threats to Indian Biodiversity- Way Ahead’**. The ongoing ‘Sixth Mass Extinction’ has wiped out several species of flora and fauna and the remaining species and ecosystems are on the verge of collapsing. However, this can be reversed if all us get united to save our biodiversity. In this regard, this webinar was organised to raise awareness about the various aspects of biodiversity destruction and to motivate people to take actions to mitigate this alarming issue. The webinar saw distinguished environmentalists, conservationists and academicians from across the country discuss the challenges faced by Indian Biodiversity and the ways to conserve it.

The first speaker, **Ms Mahima from Wildlife SOS** talked about the rescue operations carried out by Wildlife SOS for elephants and other wild animals in the country; the second speaker, **Dr Naveen Pandey (Deputy Director, The Corbett Foundation)** discussed about Kaziranga National Park’s efforts in biodiversity conservation in Northeastern India, followed by **Mr Arun Krishnamurthy (Founder, The Environmentalist Foundation of India)** who gave a presentation on the dying lakes of India and the subsequent challenges posed on the aquatic biodiversity. The fourth speaker **Dr Umesh Srinivasan (Assistant Professor, CES, IISc, Bengaluru)** explained the alarming effect of climate change on Eastern Himalayan Biodiversity, later **Dr T.V. Ramachandra (Coordinator, Energy and Wetlands Research Group, IISc, Bengaluru)** emphasised upon the threats to one of the biodiversity hotspots of the country, the Western Ghats and finally, **Dr Shivranjani Singh (Assistant Professor, Dayal Singh College, DU)** highlighted upon the interconnection between carbon footprint and climate change. In all, it was an enriching experience for all the attendees, drawing their attention to the looming catastrophe on our planet and inspiring them to stand up in solidarity for this pressing cause.

productive for you?

Yes, it was amazing presentation. I want to give thanks to all speaker and my green brigade team who makes wonderful. And i learn many things form this event. Once again i want to give thanks to all my senior and speaker.

Was the webinar knowledgeable and productive for you?

Yes,It is most knowledgeable and the content was informative and descriptive. The speakers are superb,their speech encouraged us to care for Environment.

from 1-10 at what scale would you rate the seminar? (1 being the lowest and 10 being the highest)

10

Any other Comments

Thanks to organiser ,to organise such webinar and making us part of your webinar.

Yes , it was very productive and knowledgeable!

It was indeed a great experience for me! Please keep updating about such future webinars or any other environment related event .

Did you register for the webinar?

Yes

I just want to say... I really enjoyed the webinar... I found it very informative. All the speakers explains every thing so clearly and ya of course I am very happy by attending this webinar on such a wonderful day i.e. world environment day. On this special day I decided what I can do I will do to save our biodiversity. Also I want to thanks all the speakers for such an informative web
