Smart minds with great ideas deserve the opportunity to share them with a group of likeminded individuals. Creating a space for the mind to ponder, interpret, analyze and learn the entrepreneurial board conducted E-Summit'22 wherein we offered plenty of space for individuals to learn from industry experts.

The event consisted of two sub events namely Negocio and panel discussion.

**PANEL DISCUSSION** - An insightful discussion with industry experts like Ms.Mandeep Kaur Tangra, Mr.Shubhan Maheshwari, Mr.Vikramjit Singh Sahaye, Mr.Sourabh Goyal and Mr.Mohit Thukral. The esteemed speakers offered great insight into the entrepreneurial world, the challenges faced by them and their learnings throughout their journey.

**NEGOCIO**- The Bplan competition, organized to celebrate entrepreneurship, share experiences and learn from one another. We researched student run startups on linkedin and various other platforms. They were asked to submit a 1-minute video introduction to smoothen the screening process. We witnessed participation of students from all over the DU circuit. The event turned out to be a huge success as we had 20+ renowned industry experts in our panel to provide mentorship and funding to the startups.
