Teacher Coordinator	Dr. Shalini Singh
Student Coordinator	Bhupesh Goswami
Speaker	Ms. Shachi Seth
Number of Participants	43
Date	19 <sup>th</sup> -20 <sup>th</sup> October, 2021

Here is the Poster of the Lecture

The guest speaker was Ms. Shachi Seth who is an assistant lecturer at Centre for Writing Studies and O.P Jindal University in Sonipat, Haryana.

She began with the introduction of the topic and the tips for academic reading. Strategies of reading difficult texts were also discussed between students and Ms. Seth. Several questions were also asked by the students and Ms. Seth had very clear solutions for the same. She expressed that most students find it difficult to explain abstract and complex information in writing. Communicating difficult concepts and presenting well-reasoned arguments demands far more than just being able to express oneself in grammatically “perfect” sentences. Critical thinking, organization, clarity and precision in word use require more than just grammatical skill.

MS. Seth had some golden tips for academic writing and she tried to cover most of the problems related to academic writing.

The workshop was informative and students learned the correct way to go about academic reading and writing. The two day workshop was very fruitful and proved to be beneficial to the attendees due to the ever-growing importance of academic reading and writing.
