BLOOD DONATION CAMP

Date -11 March 2022

Time-10 am to 4 pm

Venue- College of Vocational Studies

No. Of. Donors- 51

"Tears of a mother cannot save her child. YOUR BLOOD CAN. Donate your blood for a reason. Let the reason be life."

A blood donation camp was proudly set up by NSS CVS in collaboration with the Indian Red Cross Society which took place today on the college premises with the motto of "donate blood and save a life". It was a six hours long camp lasting from 10 am to 4 pm.

Here is a glimpse of the day: Initially, the Indian Red Cross Society brought its van constituting 3 beds in it. NSS CVS volunteers gave their full contribution to making this camp a success. A total of 90 people, including both students and outsiders, gave their blood for a better future ahead.

A desk of NSS HRs was maintained in the camp for regulating the smooth conduct via registering the critical information of the donors in a form of questionnaires which comprised the medical history, present physical health and willingness of donors to volunteer the entire process. This is a mandate to prevent any type of further disputes or complications.

As a token of thanks and for the healthy well-being of donors, there were arrangements for refreshments and nevertheless, certificate distributions will also be a part and NSS-CVS appreciates its volunteers for their remarkable contribution to this run for a social cause.

At last, the camp concluded successfully and the day was locked with the clicking of pictures with the whole team of NSS CVS and the Indian Red Cross Society, thereby giving it a thumbs up for more future collaborations.

SWACHHTA PAKHWADA PLEDGE AND CLEANLINESS DRIVE

13 SEPTEMBER, 2021

Mahatma Gandhi had dreamed of an India which is not only free but also clean and developed. Mahatma Gandhi secured freedom for Mother India. Now we must serve our Mother India by keeping the country neat and clean.

NSS CVS is committed to observing the change starting from our homes and college campuses.

The government of India launched a nationwide cleanliness initiative in the form of "Swachhta Pakhwada" under the Swachh Bharat Abhiyaan, announced by the Prime Minister, focusing on cleanliness and hygiene. Swachh Bharat Abhiyaan is a platform where all of us have a chance to participate. By imbibing Swachhta, i.e. cleanliness, in our day-to-day activities, we can help make our local surroundings and our cities more Cleaner, Greener and Beautiful place to live in.

Keeping this in mind, The team of NSS CVS revitalises the spirit of cleanliness and hygiene amongst its volunteers and members and hopes to hold the pledge true to its meaning.

The NSS CVS team pledged to devote 2 hours per week for a year which is 100 hours in totality. The Pledge ceremony was led by Our Principal Mr Inderjeet Dagar and our Convenor Dr Ashis Taru Deb.

The cleanliness drive commenced after the Swachh Pakhwada pledge ceremony in the College of Vocational studies campus on the 6th of September 2021. The activities of the drive were coordinated by the NSS CVS council members.

All the council members and heads of the departments and volunteers took part with utmost enthusiasm and vigour in the cleanliness drive. The persons in attendance began the drive from the NSS room on the college campus and from there with the assistance of the college helpers and workers covered the area of the whole old campus building and the amphitheatre.

Swachh Bharat Abhiyan has become a 'Jan Andolan' receiving tremendous support from the people. Citizens too have turned out in large numbers and pledged to a neat and cleaner India. Taking the broom to sweep the streets, cleaning up the garbage, focusing on sanitation and maintaining a hygienic environment have become a practice after the launch of the Swachh Bharat Abhiyan. People have started to take part and are helping spread the message of 'Cleanliness is next to Godliness.

CANCER AWARENESS WEBINAR

Sunday, November 7, 2021,

Time- 3:00 p.m.- 4:00 p.m.

Mode - Google Meet

As a part of National Cancer Awareness Day, NSS CVS successfully organised an enriching webinar on *Cancer Awareness* on 7th November 2021, in an online medium.

The speaker for the day was *Mrs. Neerja Malik*, a TEDx speaker, with a BEd and BSW degree from Bombay. She has worked immensely in the field of social work and teaching and has experience of 23 years in counselling patients with cancer and instilling a feeling of facing it in them.

The speaker started by highlighting the importance of National Cancer Awareness Day in educating the masses about cancer early detection and prevention. She also stated that the young generation's age is the best phase of life to introspect, analyse, and act positively.

She talked about three basic but very impactful things that we can adapt and follow if we are diagnosed with Cancer.

1) Think of cancer as merely a word in the dictionary, i.e, don't overthink it. With a strong belief and advancement in medical technology, things aren't as complicated as they were before.

2) Even if you have been diagnosed with it, don't think it is the end of your life. Just perceive that all the pain that you'll bear in the treatment is merely a 'bypass road' in your journey of life.

3) Laughter is the best medicine in this world which can instil a feeling of hope, strength and determination to face and overcome any challenge.

The speaker also shared that when she was also diagnosed with cancer, she adopted a very optimistic attitude. She also highlighted that use of the word 'fight' is inappropriate when we say, ' I will fight this problem' as it installs a rush of blood, negativity and willingness to show your power. Rather 'Face' is a better alternative as it produces a feeling of positivity, hope and strength.

The speaker mentioned that even if you are completely broken or ill, believe that things are improving day by day and never let positivity turn into negativity. Also, she stressed the fact that whatever you speak, let it be 'mindful, and meaningful and come from your sense of awareness.

She also stressed the importance of a strong belief in God and a doctor as they both are the ones who can be life saviours for you. Also, she mentioned that the 'role of prayers' becomes vital in such a critical situation and one can fix a goal for himself/ herself for whom he/she wants to live his/her life which can be very impactful in speedy recovery. The speaker believed that the following three sayings can be very handy in achieving fruitful results and positivity-

- 1) 'God' is great
- 2) 'This too shall pass
- 3) 'Laughter is the best medicine

Last but not least, she shares that apart from the cancer patient, the family members and friends of the patient, require effective counselling to be positive and also create an atmosphere of positivity and laughter around the patient.

This was followed by the question-answer session. To recognise the valuable efforts and knowledge on this very vital topic, a virtual vote of thanks was presented to Mrs Neerja Malik.

The team of NSS CVS, with its motto of *Not Me But You* , would continue to organize such insightful and life-changing webinars shortly.

MARTYRS' DAY WEBINAR: GANDHIAN PHILOSOPHY IN THE 21ST CENTURY

DATE: 30 JANUARY 2022

TIME: 3:00 PM- 4:00 PM

TOPIC: GANDHIAN PHILOSOPHY IN THE 21ST CENTURY

30th January is celebrated all over India as Martyrs' Day or the Shaheed Diwas. It was exactly 74 years ago today when the father of our nation, Mahatma Gandhi, was killed by the extremist Nathuram Godse.

Mohandas Karamchand Gandhi, fondly known as "Bapu", served his whole life for the welfare of mankind. With this, on this propitious Martyrs' Day, we, the volunteers of NSS who follow the motto of "Not Me, But You", in collaboration with IQAC, SMC CVS, and Gandhi Study Circle, organized a full-fledged webinar, not just for the sake of remembrance but to inculcate the ideas and the philosophy of Gandhi Ji and his principle of ahimsa amongst the youth at large.

On this prestigious occasion, the great-grandson of Mahatma Gandhi and the president of the Mahatma Gandhi Foundation, Mr Tushar Arun Gandhi presented a colossally enlightening and motivational lecture on the topic- "Gandhian Philosophy in the 21st Century." The event witnessed a virtual audience of more than 100 people including the Program Officer of NSS, Dr Ashis Taru Deb, and the Coordinator of IQAC, Dr Anu Satyal.

Our speaker, Tushar Sir, threw light on the history involving Gandhi Ji's numerous sacrifices and movements that led India towards its freedom. He also stressed that there resides an activist in all of us, and further recalled what paths Gandhi Ji wished the youth of our nation to walk upon and practice non-violence.

With this, we, the volunteers of NSS CVS possess an underlying belief that although the father of our nation was killed 74 years ago, his ideas are till date successfully alive and will remain so as long as, we, the youth will continue to study and follow his philosophy of non-violence, truth and sacrifice in our lives.

In addition to this, NSS CVS under the aegis of IQAC also organized a slogan writing competition to celebrate the legacy of Mahatma Gandhi, on the same theme as that of the webinar- "Gandhian philosophy in the 21st century."
