

STUDENT NOTICE

GE & SEC options for Sem IV Honours courses (2020-21)

It is to be noted that every Honours course student has to study a Generic Elective (GE) paper offered by a department other than the parent department in semesters 1 to 4. For example, a IV Sem B.A. (Hons.) Economics student can study a GE Paper offered by any department except Economics. This student can opt for GE offered by departments of Commerce, Management Studies, Political Science, Math, History, English, Hindi, or Physical education.

Each department in the college offers different GE subjects that are listed below. The college may accept limited number of students in each GE option or decide to offer an option only if a specified minimum number of students opt for the subject. In case of few students choosing a GE option, that option may be withdrawn by the college and the student will have to change her/ his GE option.

In case a student does not exercise her/his GE option within the specified time, the college will exercise its discretion in allotting the subject to the student. The syllabus for the GE options is available on the Delhi University website.

All students joining Sem IV classes on 02 January 2021 are directed fill up the online GE option form between 28-30 December 2020 on the following link
