Aspire- The Placement Cell of the College of Vocational Studies organised a webinar titled, "Meet the Faculty" on 23rd September, 2021 at 4:00 PM where we got a chance to interact with Dr. Arvind Shukla, Professor of Marketing and Chair of the Doctoral Programs at the Birla Institute of Management Technology (BIMTECH).

The session proceeded with the speaker's introduction by Ms. Ananya Parija, Team Leader, Aspire, which was followed by an introduction by Dr. Gauri Mishra who gave a warm welcome to our speaker.

Dr. Arvind Shukla talked about the importance of effectiveness to achieve life goals and talked about the various techniques to reach them. He mentioned having clear goals in order to give direction to the efforts one's putting in. He also emphasised on the evaluation of oneself and finding ways to identify and measure one's success and improve every day.

As he has guided more than a dozen research researchers toward their PhDs, he also shared some thoughts on CRM and services marketing during the webinar.

The session came to an end after a Q&A round where the participants interacted with our speaker and put forward their doubts.
