

Date: 20 March 2023

**Invitation to participate in Model G20 Initiative**  
**Stage 1: National Level Essay Competition**

Dear Sir/Madam,

Model G-20 is an initiative supported by the Ministry of Education, GoI and organized by Indian Institute of Technology, Hyderabad in associated with Indian National Young Academy of Sciences (INYAS) to engage the students from all 50K+ degree colleges/ universities/ technical Institutions in a dialogue and hence, provide exposure and insights into the nuances of multilateral discourse on global challenges and pressing policy issues of the current times. Under this initiative, the young students will be provided a unique opportunity to model the functioning and proceedings of G20 meetings.

The Model G-20 initiative will be implemented in 3 stages - essay writing competition at college level, debate competition at zonal level and elocution competition at national level. The themes/topics for Stage 1, i.e., essay writing competition are:

- (i) The progress on sustainable development goals
- (ii) Climate change & its impact
- (iii) Reforms for multilateral institutions
- (iv) Circular economy and lifestyle for environment
- (v) Digitalization of agriculture/Trade/Skilling
- (vi) Women at the core of the development agenda/Women-led development
- (vii) LiFE – Lifestyle for environment

Under each theme, three best essays from the six different zonal areas of the country will be shortlisted for the next stage 2 (Debate Competition at Zonal level).

We cordially invite your institution to encourage your talented students to participate in this competition. We request you to kindly share this announcement with your students and faculty members.

The last date to participate and submit the essays for stage 1 is 14 April 2023. For further details regarding event, themes/topics, rules, and participation, one can visit our website - [modelg20.iith.ac.in](http://modelg20.iith.ac.in). For any query, kindly email at [modelg20@iith.ac.in](mailto:modelg20@iith.ac.in).

With warm regards
