Subject: Matter of caste discrimination which took place in the college premises.

Respected Sir,

We Student's Union would like to draw your attention on this matter, that three students Aakash, Shubham Raj and Pratham tank, have been fighting continuously and they have been creating nuisance in college. Today, the fight turned violent where there was exchange of punches, kicks and slaps right inside the college premises which is unacceptable at all. We've been also been reported that there were unconstitutional and serious offensive derogatory comments on backwards caste and community were made. Many freshers told us that they feel threatened, harassed and they fear to come to college because of this especially the female students. As student's union we demand that both the students should be investigated, suspended and heavy fine so an example can be set to promote a healthy environment inside college premises.

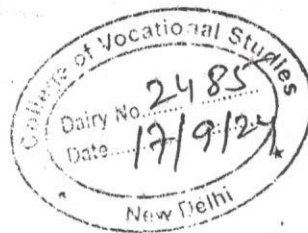

Thank You

Respected Sir,

This is to inform you that when I was
sitting near amphitheatre, I saw Pratham Jaank
and few boys who surrounded aakash were
arguing with aakash, but aakash didn't do
anything, he was standing still ignoring their
words.

Afterwards when Aakash went to the stairs
area (amphitheatre) They all approached him
there also and ~~they~~ after some more arguments
they started pushing aakash aggressively.

Hence, I request you to ~~not~~ save aakash's
nomination.

~~He~~ ^{Aakash} was innocent and was being respectful
in this whole scenario.

Subject - My point of view regarding today's Incident

Respected Sir,

I, ~~Aakash~~ want to put my side of the story regarding today's incident ~~at~~ to happen in the boy's washroom.

This is my side of the story:-

"I came to the college around 9:30, I am not that sure about the time. ~~First thing~~ I have a junior of mine which is my good friend also, he came to me and said that he faced ~~to~~ some unconstitutional social remarks on his ~~case~~ which are not at all acceptable. He ~~also~~ accused ~~me~~ of this saying that this ^{had} happened twice with him, first time was aakash's ~~friend~~ friend and this time aakash himself. So, I was with Pratham

the whole time. ~~He~~ Firstly the argument was happening near to

Staircase in front of BCR, then ~~A~~ Akash said us to go to ~~the~~ washroom.

we all went there and then there the argument started again in which Pratham was asking him (Akash) about the ~~remark~~ remark. Then after a long debate Akash ~~still~~ was still behaving like nothing happened and ~~accepted~~ again said Bad remarks on Pratham's caste. Then the argument went up both were shouting and Akash pushed Pratham which led to the exchange of punches between them. and at the end Akash went from the washroom ~~very~~ saying something like you can't do anything of me."

This was the whole washroom case

Thank you

Yours sincerely

Respected Sir,

Today I had argument with Aakash regarding the remarks he made about Dr. Prashant. By saying SC/ST and ^{said} many other things. And after that he pushed me and I also started fighting with him. After sometime he went away from us by saying what will SC/ST will do to him. and started abusing by using caste names to me as well as Prashant. So this is humble request to take strict action against him.

On this matter Shubham and Pratham were having discussion with AAKASH about it, in the argument they were discussing how similar remarks were made in the past. ~~The~~ slowly the discussion got really heated AAKASH pushed Shubham and made similar ~~sa~~ castiest remark again to Pratham and then punches were exchanged by both after which both party left.

Dear Sir.

As per our conversation, Artist Akhil, Sufinama and Revoic are not available for the new dates mentioned by committee i.e between 18-22 March 2025 due to prior commitments to their respective agency tie-ups.

Also with unsureity about any future availability of the above mentioned artist, we would like to commit non-availability of these three artists.

In case the college decides to procure the remaining artists from number of names mentioned in same tender list, we would serve you with pleasure.

With all the due respect and heavy heart.
